Changing Lives, Changing Communities

Are you ready to invest in your staff?

State qualified personnel is providing low cost and community oriented education and clinical supervision for the 100, 360 and 4,000 hour requirement to take the Jurisprudence Test, as well as ICRC examination that is needed for Alcohol and Drug Counselors by the Wisconsin Department of Regulation and Licensing. *TransformationServices* accepts job related tuition reimbursement and depending on your current employment status, you may be eligible for state WIA funding which would cover the cost and materials for the course. Please call or email for program information/format, tuition cost etc.

In general, we can accommodate most schedules, but also offer Winter/Spring, Summer, and Fall/Winter semesters (either distance or in-person). This is consistent with other academic programs that the student may be enrolled. Our AODA training program is personalized, cost/time efficient, and offers a gateway into the mental health care profession, or accentuate the credential a license holder may already have. *TransformationServices* Can Help!!!
